Coborn's, Inc. to Require Guests to Wear Masks in Supermarket & Liquor Stores

ST. CLOUD, MN - In consideration of CDC guidance and increasing local & state government mandates, Coborn's, Inc. will begin requiring guests to wear masks while shopping in their Coborn's, Hornbacher's, Cash Wise, and Marketplace Foods supermarket and liquor stores. The policy will be phased in, beginning in Minnesota and Wisconsin locations on Monday, July 20 and following on July 27 for the Fargo/Moorhead area stores.

In the event a guest arrives without a mask, a mask may be provided at the store, while supplies last. Children under the age of 5 and those guests who are unable to wear a mask due to health reasons may shop without a mask. In the event a guest is uncomfortable wearing a mask, they are urged to use the online ordering options available at every Coborn's, Inc. location.

Coborn's, Inc. implemented a mandatory mask policy for all employees in April and has been strongly encouraging guests to wear masks while shopping.

"Guests wearing masks while they shop is appreciated by our employees and could help to slow the spread of COVID-19 in the communities we serve, ultimately helping us to continue to fully staff our stores and serve our guests for the duration of the pandemic." – Chris Coborn, President, CEO and Chairman of the Board
